INTRODUCING THE IMPRESSIONS RANGE

The Impressions door panel range uses the latest in PVC-U technology to create high quality, low maintenance doors to provide enhanced security and a high degree of thermal and sound insulation for your home.

Established in 1993, we have been manufacturing our high quality, durable PVC-U doors for decades, and we're the first choice for both trade installers and homeowners.

Available in a wide range of finishes which can be seen on page 38, and with a stunning array of decorative glass designs to choose from, an Impressions door is the perfect solution for comfort and peace of mind.

YORK

Regardless of which style of Impressions door you choose, you will be able to complement it with a glass design to suit your home.

Coloured fused tiles will enhance your period home, while modern etch or sandblasted designs work well for contemporary style properties.

The York One offers you a high level of privacy whilst providing natural light from the decorative Half Moon glass, which is available in a variety of designs.
